

ASHA MEMBERSHIP AND PRICING

ASHA could not survive as an Association and still provide all the benefits to its members that we do without recovering and subsidizing some costs. Examples of such costs would include trophies, blankets, the Children's Christmas Party, horsemen's meetings, qualifiers, life insurance, and bike insurance. ASHA is a **not-for-profit organization** that requires funding in order to conduct its business. The cost to ASHA increases yearly, as HRA and racetracks continue to move costs our way. The benefits you have received in the past have been available to anyone, not only to members. Therefore, we have made amendments to the way we will be doing business in the future, and shall adhere strictly to the following in order to conduct business in the future.

NOTICE TO ALL:

- Effective as of the 2015 membership year: Century Downs Racetrack & Casino (CDR&C) is enforcing *full* membership to all ASHA members in order to provide liability coverage for those involved at *any* capacity around the race grounds. This means that all grooms, drivers, trainers, breeders and owners **must** have current memberships to ASHA in order to be on CDR&C premises for any race related activity. CDR&C, not ASHA, enforce this policy.

- Effective as of the 2018 Membership year, Bike and Jogger insurance is **discontinued**.
