

ALBERTA STANDARD BRED HORSE ASSOCIATION

2020 Yearling Sale

Policy regarding the withdrawal of an entry from the sale

Once the ASHA has received the yearling sale entry form (deadline May 1st) up to July 1st of the current year, any yearling may be withdrawn without penalty. From July 1st up to the sale date, withdrawals without a veterinary certificate will be penalized \$500.00. After the consignor has received the consignor's sale package, a sale entry may only be withdrawn from the sale with a certificate issued by an ASHA assigned veterinarian.

The consignor's sale package, consisting of stall allocation, hip numbers, and pedigree sheets for entries, will only be provided to the consignor after registration papers (or electronic proof), and a signed transfer are provided to the ASHA Sales Office. For entries that are electronically registered, the sales office must still be provided with a signed transfer. This **MUST** be completed by 10 am sale day.

If an entry is withdrawn from the sale after a consignor has received the appropriate sale package, (10 am) a withdrawal fee of \$1,500.00 will apply, unless the withdrawal is approved by an ASHA assigned veterinarian and that veterinarian's certificate is proved to ASHA. The withdrawal fee is payable to ASHA before the yearling is removed from the sale facility.

I/we acknowledge that I/we understand the withdrawal policy as stated above and agree to abide by the terms and conditions of this policy.
