Check them out at the track. Three of these horses are at Century Downs one is at The Track on 2 Inc. If you'd like to make an offer on one of these horses, please submit the offer in writing to Fred Gillis. At that time ASHA will post the horses name and the offer (no name of the potential purchaser will be posted). After an offer has been posted, the A.S.H.A. will wait 7 business days. On the eighth business day, if no other offer is received the person making the original offer will be contacted and upon payment will own the horse. Conditions apply to the purchase/sale of all horses from this initiative, including but not limited to "horses purchased through this A.S.H.A. initiative MUST remain in the province of Alberta for twelve (12) calendar months from the date of purchase."

If you have any further questions, please contact Fred Gillis.  
(at this time, the A.S.H.A. is pursuing other ideas as well)
