

Jocelyn Giesbrecht BIO

Hello, my name is Jocelyn Giesbrecht. Daughter of long-time horsemen Gerry Hudon and wife of Driver/trainer Phil Giesbrecht. I have been heavily involved in racing in Alberta since I was a young child. I have experienced some of the best times in racing in Alberta and some of the more challenging times. I now own several racehorses and want to see this province succeed for years and generations to come. I have now served on the board of directors for ASHA for the last two years and feel that my positive outlook and attitude is an asset to the board.

I graduated from NAIT in 2018 with a Bachelor's degree in Business emphasizing in Accounting. I then went on to pursue a career as a financial/system analyst for the Government of Alberta. Throughout these 5 years with the government, I have developed many networking connections and skills that I believe will help me serve the board of directors. Not only do I have extensive knowledge of horse racing in Alberta, but I also have a great business sense that will help to make educated decisions that will affect all people in horse racing in a positive way.

Since being elected I have been involved in many decisions that have had a positive outcome. If re-elected, I will continue to bring my positivity and business sense to all decisions that are made by the ASHA Board of directors.

I stand for honesty, integrity, and open communication with our members and hope to continue this in the future.

I will gladly accept a one or two year position on the board.
