RE: ASHA Office and Contact Information

Hi Members,

There have been some administrative changes with the Alberta Standardbred Horse Association recently. Until further notice, please note the changes as stated below.

- ASHA no longer has a physical office, and our employees are going to be working remotely. Colleen Haining is still available at the racetracks, Century Downs and Century Mile.
- We have a new mailing address: (this address is **only** for sending mail). If mail was recently sent to the old address (151 East Lake Blvd) not to worry, as our mail will be forwarded to this new address below by Canada Post.

**202, 191 EDWARDS WAY SW, AIRDRIE, AB T4B 3E2**

- Our main contact number for the ASHA office (403-263-7765) is no longer available. This may change in the future, as we are currently working to get our virtual phone system in place.
- For questions and help with ASHA memberships, financials that pertain to ASHA and general questions, please contact Laura Webster directly. The contact number is **403-512-5129**.
