

Owner's Report – September 11th, 2021

Excellent turnout for our Owner's Appreciation Day on August 29th. Approximately sixty owners showed up for the afternoon of racing as well as for the dinner. Attendees were very appreciative for the gesture and looked forward to potential future events. Giveaways were a huge hit too!!!! 😊

Thanks to the staff at CD for a great afternoon and for their flexibility in responding to fluctuating numbers throughout the week.

Also expressed appreciation for the email updates that include messaging from our Board meetings that can be shared. Also, recognition for the entire Board in our attempts to be more transparent and communicating openly to stakeholders.

Received a couple of emails regarding purse structure and class conditions. Thanks to Fred for his assistance in formulating responses.
